Dear Home owner(s),

As your Association's management company, there are occasions when it becomes necessary for us to be able to communicate with the homeowner.

Please fill out the bottom of this page and return it with the grant deed and checks.

We use the email to send the welcome document by email when we receive the grant deed of the new owner, this will prevent mail issues. And the new owner will get the HOA information much faster.

Thank you for your assistance.
